Description

One Bedroom King Deluxe Suite – Harbour House at the Inn Harbour House at the Inn is a unique condominium hotel located on the beautiful Fort Myers Beach. Unit 206 is a second-floor corner suite featuring 1 bedroom and 1 bathroom. Inside, the colorful beach-style decor complements the vibrant atmosphere, while the private balcony offers a stunning view of the Bay and seating for four. The location of Harbour House is truly a hidden gem! Fort Myers Beach, also known as Estero Island, has been making a remarkable recovery since Hurricane Ian. As the island rebuilds, we invite you to join us and celebrate the reopening of our local businesses. The seven miles of beautiful beaches are as inviting as ever, and many beloved restaurants are back in action, including Wahoo Willies, Yucatan, Fresh Catch Bistro, Yo Taco, and Mom's for the best cinnamon rolls and breakfast on the beach. The suite features an open-plan kitchen, living, and dining area with beautiful wood flooring throughout. The kitchen is fully equipped with all the essentials for meal prep, including a glass-top range, microwave, dishwasher, and refrigerator/freezer. The dining area comfortably seats four, and the living area includes a queen-size sleeper sofa and a flat-screen smart TV. In the bedroom, you'll find a king-size bed, a chest of drawers, and a spacious closet. The corner balcony can be accessed from both the bedroom and the living area, offering breathtaking views. For added convenience, a washer/dryer is included in the unit. On the second floor, you'll find a beautiful pool and hot tub, a spacious outdoor deck with lounge chairs and umbrella tables, a community room with a full kitchen, and an outdoor covered seating area with a TV for your entertainment. On the third floor, there's an additional gas grill and plenty of lounge chairs and umbrella tables for your enjoyment. Condo amenities include cable TV, Wi-Fi, all linens and towels (one set of towels per person), and a starter kit (which includes a small dish soap, a couple of dishwasher tabs, trash bags, toilet paper, and hand soaps). Parking for one vehicle is available in the ground-floor covered garage. Harbour House 206 is the perfect vacation destination, offering a peaceful retreat with everything you need for a relaxing stay. We would love to welcome you back again and again to our slice of paradise! A Note on Our Recovery: While Harbour House is in the process of rebuilding after Hurricane Ian, we are excited to say that the suites, including Unit 206, remain fully operational and unaffected. Our office is temporarily located on the second floor in the community room, and we continue to welcome guests like you to enjoy the beauty and resilience of Fort Myers Beach.
