Description

Harbour House 315 is a third floor 1-bedroom, 1-bath hotel condo on the tropical Estero Island known as Fort Myers Beach. Resort amenities include parking for one car in the garage beneath the building, the beautiful in-ground pool and hot tub in a central area on the second floor, along with community room with full kitchen if you have friends over and wish to all gather around the pool area. On the hallway side of the community room is an ice vending machine and coin-operated laundry. The second floor also has an outdoor covered seating area with a TV for your entertainment. A community gas grill is available on the third floor, along with its open deck with plenty of lounge chairs and umbrella tables. Condo amenities include central air conditioning, ceiling fans, cable TV, complimentary WiFi and all linens and towels are provided. This condo has an open-plan kitchen, living and dining area with beachy décor and tile flooring throughout. The kitchen has hard surface countertops, a stainless steel sink and cabinets with all the necessary items to prepare meals or just coffee and toast in the morning. Appliances include a 2-burner gas range, built-in microwave oven, a mini-dishwasher and refrigerator/freezer. Next to the kitchen is a sleeper-sofa with coffee table and a dining table seating two. Across from the seating area is a credenza, above which is a wall-mounted large flat screen TV. The bedroom has a king-size bed, night stands and lamps, corner chair, closet and a chest of drawers with a large wall-mounted flat screen TV above. Sliding glass doors from here provide access to the covered and furnished balcony which has a 180-degree view encompassing the back bay, the swimming pool and spa, and in the opposite direction there is a view of Times Square and the Gulf of Mexico. The large bathroom has tile flooring and a vanity with lavatory and storage space beneath, wall mirror, commode and a tiled combination tub/shower.
